Nothin's changin' but the shadows on the wall

I wish I could leave myself at the end of the hall

Always pushin' pushin' away what I need the most

Well here I go again but this time we got so close
Chorus

I was reckless reckless

I was reckless to the end

I was foolish and careless

And reckless once again
It looks like I really led myself astray

And even I don't believe half the things I say

Always runnin' and I still don't know where I am

I just can't afford to let you slip right thru my

Hands

Chorus

All the right words remain unspoken

Another promise made

Another promise broken

Chorus

I was reckless once again...
