I can still feel your teeth marks in my neck,

Your footprints on my back.

And the gris gris you sprinkled in my bed,

Is starting to make me crack.

I can still hear your twang ringin' in my ear,

Your perfume I still smell.

You brought it way down below the mason-dixon line,

Like your mother, you're a southern bell.

Chorus

I said release me.

But please don't let me know.

Release me,

But please don't let me go.

1st bridge

All my blood's still boiling.

Like a snake, you come coiling,

Ready to strike!

2nd bridge

All my blood's still boiling.

Like a snake, you come coiling.

When the night comes down I get a big black fear,

Like the clouds hanging up above.

I don't want you to possess me but that's how it is,

I ain't nothin' but your slave of love.

Chorus
