You took the path of least resistance  
And I've gone from bad to worse  
They say that one man's  
Blessing is another one's curse

The sun shines softly on the ruins  
As try to find my way  
You knew exactly what you were doin'  
But left me shattered anyway

It just kills me to see you runnin'  
To the comfort of strangers  
And everyone saw it comin'  
Everyone but me

Funny how time keeps on runnin'  
Like a river of changes  
And it's left me with nothin'  
But the comfort of strangers

I remember when I was helpless  
And I needed you the most  
You left me so defenseless  
And vanished like a ghost

We live without answers forever  
And it's really not enough  
There's all the reasons we're not together  
But what's that say about us

It just kills me to see you runnin'  
To the comfort of strangers  
And everyone saw it comin'  
Everyone but me

Funny how time keeps on runnin'  
Like a river of changes  
And it's left me with nothin'  
But the comfort of strangers

And like a child inside  
I can't help but cry

And I won't let you  
Deny me now

It just kills me to see you runnin'  
To the comfort of strangers  
And everyone saw it comin'  
Everyone but me

It just kills me to see you runnin'  
To the comfort of strangers  
And everyone saw it comin'  
It just kills me to see you runnin'
