I believed you were the one for me  
To take me in from the rain  
Mama give me peace and harmony

Break my back to try to understand  
And keep it going your way  
But I'll pull my head from the burning sand  
Here's what  
I've got to say

Face the pain enjoy your anger  
Then wash the ashes from me  
After the rain the sun seems stronger, you'll  
see

Now the question deep inside of me  
Is it me, is it you, who opened the door

So unexpectedly

Oh, you think that  
it's cool  
Like playing at school  
Fooling boyfriends around in the playground  
But you need to be hot to turn the heating down  
Well, here's  
what  
I've got to say

Face to pain enjoy your anger  
Then wash the ashes from me  
After the rain the sun seems stronger, you'll  
see  
(It seems so strong you will see)
