I think it's time now
All the sings are there
Time to jump on a plane, run away
I lost my smile now
It's here on the floor somewhere
Sometimes it's just too dangerous to say

Just a little line on a map somewhere
Just a great divide through the heart of this town
Just a little water beneath this bridge
Flick a cigarette, and as it's floating down
My life turns around, because

I'm leaving my home by the river
In this Broken Heart Town
Because I've given her all I can gave her
Now I must fly

It gets so cold here
So hard to find your friends
An endless whirlpool, this place is the drain
Makes you wonder why I wait until the end
Why I seem so attached to my pain

Just a little line on a map somewhere

Just a great divide through the heart of this town
Just a little water beneath this bridge
Flick a cigarette, and as it's floating down
My life turns around, because

I'm leaving my home by the river
In this Broken Heart Town
Because I've given her all I can gave her
Now I must fly

I spend days wasted away
No one to call, nothing to say
And I open myself wide, nothing to hide
Cos deep down I know I'll back here is time

I think is time now

Time to get on a plane run away
>From this place I love Iâ€™ve had enough

Iâ€™m leaving my home by the river
In this Broken Heart Town
Because Iâ€™ve given her all I can gave her
Now I must fly
