Good things come 2 those who wait
My love is just the same
u'r gonna have 2 understand
A kiss goodnight is all u get
No, no u can't come in
I know u want 2
Read my lips

u can cry cry baby baby all u want
u can try try but im gonna tell you to stop
Gonna make u wait, baby baby like it or not
There's a right time, but not tonight
u can cry cry baby if u want to
u can try try but you know it ain't no use
At the right time, gonna give it all to u
Until that time..
Baby cry baby cry

I know what u got in mind
All good things come in time
Youre gonna have to prove u'r love
Before i let u inside my heart
That time is not too far
We're gonna get there
No need to rush

u can cry cry baby baby all u want
u can try try but im gonna tell you to stop
Gonna make you wait, baby baby like it or not
There's a right time, but not tonight
u can cry cry baby if u want to
u can try try but you know it ain't no use
At the right time, gonna give it all to u
Until that time..
Baby cry baby cry

And I don't care what u say (no i don't)
Cause u'r just gonna have to wait
u can cry like a little boy
That won't change a thing
Cause I don't care what u do
when it comes to me and u

If u wanna make it right
Take u'r time
If u wanna be mine
be mine baby

u can cry cry baby baby all u want
u can try try but im gonna tell u to stop
Gonna make you wait, baby baby like it or not
There's a right time, but not tonight
u can cry cry baby if u want to
u can try try but you know it ain't no use
At the right time, gonna give it all to u
Until that time..
Baby cry baby cry

u can cry cry baby baby all u want
u can try try but im gonna tell u to stop
Gonna make you wait, baby baby like it or not
There's a right time, but not tonight
u can cry cry baby if u want to
u can try try but you know it ain't no use
At the right time, gonna give it all to u
Until that time..
Baby cry baby cry

u can cry cry baby baby all u want
u can try try but im gonna tell u to stop
Gonna make you wait, baby baby like it or not
There's a right time, but not tonight
u can cry cry baby if you want to
u can try try but you know it ain't no use
At the right time, gonna give it all to u
Until that time..
Baby cry baby cry baby
