you're never boring
you're always changing
you feel amazing
take me lead the way
i'm serious
delirious
so into this
just let time spin away
crazy about you
i'm no good without you
what more can I say

i love you
and everything you do
i need you
don't ever say we're through
i love you
the sun is shining
the world is smiling
baby I love you

you're stupid love
you're salty skinned
heat within
and i can't help myself
i want to touch it baby
look what you made me
i wanna do to you
the things i never do
im stuck without you
im lost without you
what more can i say

i love you
and everything you do
i need you
don't ever say we're through
i love you
the sun is shining
the world is smiling
baby I love you

i love you
and everything you do
i need you
don't ever say we're through
i love you
the sun is shining
the world is smiling
baby I love you
