You know this boogie is for real.

I used to put my faith in worship,  
But then my chance to get to Heaven sli-i-pped  
I used to worry about the future  
But then I threw my caution to the wind.  
I had no reason to be care free  
No no no, until I took a trip to the other side of town  
Yeah yeah yeah, you know I heard that boogie rhythm  
Hey - I had no choice but to get down down down down.

Dance, nothing left for me to do but dance,  
All these bad times I'm going through just dance  
Got canned heat in my heels tonight baby

I feel the thunder see the lightning  
I know this anger's heaven sent.  
So I've got to hang out all my hang-ups  
Because of the boogie I feel so hell bent  
It's just an instant gut reaction, that I got  
I know I never ever felt like this before,  
I don't know what to do  
But then that's nothing new,  
Stuck between hell and high water  
I need a cure to make it through.

Hey - dancing nothing left for me to do but dance  
All these bad times I'm going through just dance,  
Hey, got canned heat in my heels tonight baby  
You know know know I'm gonna dance yeah

All the nasty things that people say,  
But I'm gonna make it anyway...  
Dance yeah! Got canned heat in my heels tonight baby!  
You know I've got canned heat in my heels baby  
You know this boogie is for real...

Only the wind can blow the answer  
And she cries to me when I'm asleep  
She says you know that you can go much faster  
I know that peoples' talk can be so cheap  
Yeah yeah

I got this voodoo child inveined on me  
I'm gonna use my power to ascend  
You know I got these running heels to use  
Sometimes there's no way to lose  
I was born to run  
And built to last  
You've never seen my feet  
Cause' they can go so fast

DanceÂ... yeah, hey!  
Nothing left for me to do but  
Dance  
All these bad times I'm going through just  
DanceÂ... Hey  
Got Canned Heat in my heels tonight, baby

Hey I've got to dance yeah!  
All the nasty things that people say  
But I'm gonna make it anyway,  
Dance yeah!  
Got canned heat in my heels tonight baby

You know this boogie is for real,  
So much canned heat in my heels yeah!  
Gonna dance, gonna dance my blues away tonight,  
You know I'm gonna dance my blues away,

You know this boogie is for real,  
So much canned heat in my heels yeah!  
Gonna dance, gonna dance my blues away tonight,  
Dance!  
Got canned heat in my heels tonight,  
Oh oh oh oh, canned heat in my heels tonight  
Oh oh oh oh, canned heat in my heels tonight  
Got so much...

Dance!

Hey DJ  
Let the music play  
I'm gonna live this party life  
Hey DJ  
Throw my cares away  
I'm gonna live this party life  
Hey DJ  
Let the music play  
I'm gonna live this party life  
Hey DJ  
Throw my cares away  
I'm gonna live this party life

Canned heat in my heels tonight!

You know, you know this boogie is for real  
Got so much Canned Heat in my heels  
Gonna dance, gonna dance my blues away tonight  
Whooooooooo!  
You know, you know this boogie  
This boogie is for real

You know I'm gonna dance my blues away tonight
