Hey hey
Hey hey
Let the rain come down on me
Hey hey
Hey hey

I see people and they're craving blood
And I'm so rarely understood
Well I don't know what they want from me
It's gonna take sometime just to let them see

I'm going through a black, hey, Capricorn day
And though it doesn't seem so
I've got to get this way

I'm going through a black, hey, Capricorn day
Though you want to check me out
I'm not the man to play, play, play, play

Hey hey
Don't you see I'm not the man to play
Hey hey
No way you can play with me today
Hey hey
Just let me sing it to my Capricorn day
Hey hey

My heart is a pure sun and the sky is black
And I can feel cold steel when I turn my back
It stings like needles with a jagged tongue
You know how this scream reminds me of when I was
so young

I never had any of those black, hey, Capricorn days
Though it doesn't seem so
I've got to get this way

I'm going through a black, hey, Capricorn day
And though you want to check me out
I'm not the man to, play, play, play, play

It's just too black for me

It's just too black for me
It's just too black for me

I'm stuck on the highway leading straight to hell
Like any other drifter with a soul to sell
You know I'm dealing with the devil in everyone I meet
And their faces tell a story that life is so sweet

And I'm going through a black, hey, Capricorn day
And though it doesn't seem so
I've got to get this way

And I'm going through a black, hey, Capricorn day
And though you want to check me out
I'm not the man to, not the man to play no, no, no
(Play, play, play, play)

Black, hey, Capricorn day
And though it doesn't seem so
I've got to get this way, got to get this way

Black, hey, Capricorn day
And though you want to check me out, you want to
check me out
I'm not the man to play

It's just too black for me
It's just too black for me
It's just too black for me
