So these are the figurines
Acting out all the scenes before my eyes
I thought I knew them all by name
But they started looking much the same
And it's no surprise
But I don't wanna listen
Too much

How can I give up on all the days I know I've won
There's nothing but rainbows
I believe in the shadows
Now honey
Thought I might Be dropping out
But now I am gonna work it out
I am gonna work with me
I am Runnin' like it ain't no looser
Then I'm Rolling Like sea Rusty Ship On A Stormy Sea
You know that people are saying
Strange things
Talk to the hand 'cause I know you think the face is
gone
I don't wanna listen
Too much

I'm not gonna give up on all the days I know I've won
There's nothing but blue sky
There's nothing but blue sky
Nothings gonna stop me now
I am skimming like a skipping stone on a silver lake
I take it when the chips are down
But to play the perfect happy clown
You gotta make a mistake (gotta make mistakes)

People are saying
Strange things
And I don't wanna listen (I don't wanna listen)
Too much yeah
Nothing but blue sky
Blue Sky
How can I tell you I Know this wont Be the last Song
I don't wanna listen (I don't wanna listen)
Too much

Not gonna give up on the days I know I've won
That's where I am going
'cause there is nothing nothing but blue sky
That's where I am going
Nothing but
Rainbows falling down on me â€¦uh yeah hey
Nothing but blue sky
Can't you see
That's where I am going
Got to believe me
That's where I am going
