You know this boogie is for real.  
I used to buy my faith in worship  
But then my chance to get to Heaven slipped.  
I used to worry about the future  
But then I throw my caution to the wind.  
I had no reason to be care free  
No no no until I took a trip to the other side of town  
Yeah yeah yeah you know I heard that boogie rhythm  
Hey I had no choice but to get down down down down.

Dance nothing left for me to do but dance,  
Off these bad times I'm going through just dance  
Got canned heat in my heals tonight baby

I feel the thunder see the lightning  
I know this anger's heaven sent.  
So I've got to hang out all my hang-ups  
Because of the boogie I feel so hell bent  
It's just an instant gut reaction, that I got  
I know I never ever felt like this before,  
I dont know what to do  
But then thats nothing new,  
Stuck between hell and high water  
I need a cure to make it through.

Hey- dancing nothing left for me to do but dance  
Off these bad times I'm going through just dance,  
Hey got canned heat in my heals tonight baby  
You know know know I'm gonna dance yeah  
Off all the nasty things that people say.

Gonna dance, gonna dance my blues away tonight  
Dance, come on got canned heat in my heals tonight  
Canned heat in my heals tonight.
