Sometimes in the morning  
When I wake up  
I shed a tear  
I'm hoping  
Come the night time  
You open the door and reappear

I can promise to share  
All my dreams I will dare  
You set my heart racing when you get next to me  
Still I dont think you care  
Should I wait for your love  
Or I'm waiting in vain  
Somebody help me cause I'm falling  
Head over heels in love again

You..you...  
Your the one for your love I think that I would do  
anything  
You  
Your the one for your love I think that I would do  
anything

I miss you  
I wanna kiss you  
The sweet scent of roses is in your hair  
See sometimes  
When I get lonely  
I still feel you beside me  
When your not there

I can promise to share  
All my dreams i will dare  
You set my heart racing when you get next to me  
Still i dont think you care

Should i wait for your love  
Or i'm waiting in vain  
Somebody help me cause i'm falling  
Head over heels in love again

You..youuu...

Your the one for your love i think that i would do  
anything  
Hay you you you you you  
Your the one for your love i think that i would do  
anything

Your the one  
Your the one for your love i think that would anything  
You know yeah you.. you ..your the one for your love  
li think that i...i think that i would anything

I can promise to share  
All my dreams i will dare  
You set my heart racing when you get next to me  
Still i dont think you care  
Should i wait for your love  
Or i'm waiting in vain  
Somebody help me cause i'm falling  
Head over heels in love again

Help me.. ohh can't you help me  
I think i'm falling in love  
I think i'm falling....
