Yeah What're we gonna do tonight?

Oh, we should go to a function!

Ooh a oh yeah, yeah

Mmm Ooh! You know I love it, Yeah!

C-C-Come on let me get through

I need to put it on you

You got me hooked up baby

You know it's breaking my mind

I want your body all the time

Delicious - She drives me crazy!

Mmm, that perfume that you wear

Seems to hang in the air

Its so delicious (a ha ha)

And while the DJ's bursting grooves

I've been making all the moves

To taste your kisses

You know honey

We're going to a funktion, yeah, yeah, yeah.

Now party people get down

We're going to a funktion, yeah, yeah, yeah

Mmm!

We're going to a funktion, yeah, yeah, yeah

Come on like that

Going to a funktion, yeah, yeah, yeah, yeah, yeah

You know we're going to a party

It don't take much to start me

I'm f-f-f-freaking

G-a get down!

S-S-S-Some people get their kicks

When their shirt begins to stick.
And they s-s-s-sweat down
I got to get down

Why don't you come on with me lady
I don't want to hear your maybes
I wanna get sexual

Well you've got the body of a goddess
And I want you at your hottest
Ooh, you wanna be my queen
Let's hit the scene

Come on to the funktion. Yeah, Yeah, Yeah
Now party people will you get with this?
We're going to a funktion. Yeah Yeah Yeah, oh
Man!
We're going to a funktion. Yeah Yeah Yeah., aww
Now come on and drop it for me. Like this

We're gonna paint the town red
and then I'm taking you to bed to spend the night time
Now that the rhythm is complete
You've got the world at your feet
you have sight honey - come on

You don't have to be suggestive
I just want to get connected
At the party (PARTY!)

Why don't you groove down with me and join my funky
family.

Ooh. You know...
We're going to a funktion. Yeah, heyah, Heyah, Heyah
We're going to a funktion. Yeah, yeah, yeah
Ohh, We're going to a funktion. Yeah, yeah, yeah
Now, I'm going to a funktion. Yeah, yeah, yeah
Now put your suit suit on
Because we got to move along
If we gonna go dancing

These are disco nuts
And the mood is right for romancing, mmmmm

Y-y-y-y-y-you know you're gonna dig it
But you just can't help to swing it to the music

Now all the girls got their guy
And the guys grab their thighs
So we can lose it

Ohh What're we doing?
We're going to a funktion. Yeah, yeah, yeah
Party people get on down.
Get down to the funktion. Yeah, yeah, yeah
I'll meet you at the funky junction. Mmm. come on.
Yeah. yeah. yeah
We're going to a funktion. Yeah, yeah, yeah.

Now let me hear my man drop it
Oh this time it's just

Now bring it all back. Come on just
Woah! Mmm Yeah!

And you just can't help to swing it
at the funktion
Come on
You know you wanna dig it, and you just can't help to
swing it
at the funktion

F-F-Funktion

You know you wanna dig it
But you just can't help to swing it
At the funktion
Do it to the music
