You know this boogie is for real
I used to buy my faith in worship
But then my chance to Heaven slipped
I used to worry about the future
But then I throw my caution to the wind

I had no reason to be care free
No, no, no, until I took a trip to the other side of town
Yeah yeah yeah, you know I heard that boogie rhythm
Hey, I had no choice but to get down, down, down,
down

Dance, nothing left for me to do but dance
Off these bad times I'm going through just dance
Got canned heat in my heels tonight baby

I feel the thunder, see the lightning
I know this anger's Heaven sent
So I've got to hang out all my hang-ups
Because of the boogie I feel so hell bent

It's just an instant gut reaction, that I got
I know I never ever felt like this before
I don't know what to do but then that's nothing new
Stuck between hell and high water
I need a cure to make it through

Hey, dancing nothing left for me to do but dance
Off these bad times I'm going through just dance
Hey got canned heat in my heels tonight baby
You know, know, know, I'm gonna dance yeah
Off all the nasty things that people say

You know, know, know I'm gonna dance yeah
Oh the nasty things that people say but I'm gonna make
it anyway
Dance yeah, got canned heat in my heels tonight baby
You know I've got canned heat in my heels baby

You know this boogie is for real
Only the wind can blow the answer
And she cries to me when I'm asleep

She says you know that you can go much faster
I know that peoples' talk can be so cheap

Yeah, yeah I got this voodoo child in veined on me
I'm gonna use my power to ascend
You know I got these running heels to use
Sometimes there's no way to lose
I was born to run and built to last
You've never seen my feet they can go so fast

Dance, yeah, hey, nothing left for me to do but
Dance, all these bad times I'm going through just
Dance, hey got canned heat in my heels tonight, baby

Hey I've got to dance yeah
Oh the nasty things that people say
But I'm gonna make it anyway, dance yeah
Got canned heat in my heels tonight baby

You know this boogie is for real
So much canned heat in my heels yeah
Gonna dance, gonna dance my blues away tonight
You know I'm gonna dance my blues away

You know this boogie is for real
So much canned heat in my heels yeah
Gonna dance, gonna dance my blues away tonight
Dance

Got canned heat in my heels tonight
Oh, oh, oh, oh, canned heat in my heels tonight
Oh, oh, oh, oh, canned heat in my heels tonight
Got so much, dance

Hey DJ, let the music play
I'm gonna live this party live
Hey DJ, throw my cares away
I'm gonna live this party live

Hey DJ, let the music play
I'm gonna this live this party live
Hey DJ, throw my cares away
I'm gonna live this party live
Canned heat in my heels tonight

You know, you know this boogie is for real
Got so much canned heat in my heels
Gonna dance, gonna dance my blues away tonight
Whoo

You know, you know this boogie

This boogie is for real, got so much canned heat
Canned heat in my heels
You know I'm gonna dance my blues away tonight
