Rolling

Down the sunny avenues

Well... all this running around

I'm back on the road with you

again baby

Free ride

I haven't got a care in the world

There's only me and you girl

Back on the road with you again baby

Sweet life we're holding onto this life

And all because you've saved me

Zero to hero that's what you made me

Lady, you know that she excites me

But her mama never liked me

I'm back on the road with you

again baby

Don't pick no hole in my soul

Don't you spoil my sweet charade

I get high on the girl

For me she was clearly made

And don't get mixed up about it

'Cos she won't leave me at sea

I get a groove with the girl

She got a lifeline out to me

Deadlines...

We won't be needing any of those

no more

It seems like the right time

To be back on the road with you

again baby

I feel like...

I'll never feel the cold now

I'll never be alone now

'Cos I'm back on the road with

you again

Don't pick no hole in my soul  
Don't you spoil my sweet charade  
I get high on the girl  
For me she was clearly made

I don't need no destination  
'Cos my baby's saving me  
She got the lifeline of love  
she got it all thrown out to me

Don't lose me now

'Cos I need you baby, need  
you baby

We gotta get up  
Run away baby  
We gotta get on  
Run away baby  
You know your mama never  
liked me  
She said we gonna break up  
Said it's gonna never work  
But it's too bad baby  
We're back on the road again  
And now we're moving  
Running to the sunset  
(back on the road again)  
Just me and you together  
(back on the road again)  
I got a groove on the girl  
(back on the road again)  
Her mama didn't like me

Don't pick no hole in my soul  
Don't you spoil my sweet charade  
I get high on the girl yeh  
For me she was clearly made

And don't get mixed up about it  
'Cos she won't leave me at sea  
I get a groove with the girl  
She got a lifeline out to me

Just got my feel good factor  
And it's gone right through the roof  
I get the blues with the news  
Girl let's get it on the hoof

Throw me a lifeline

Throw me a lifeline  
A lifeline of love yeh

Throw me a lifeline  
Throw me a lifeline  
A lifeline of love yeh

Oh I need your lifeline of love  
Get it out to me  
Well I need her  
Don't lose me now  
Don't lose me now  
I got your lifeline all thrown out to me  
Oh I've got your lifeline  
Got your lifeline of love yeh
