The papers you've arranged
In a sense they're strange
They speak to me like constellations as we lie here
There's a magic I can't hold
Your smile of honey gold
And that you never seem to be in short supply of

Chorus:

Ooooooh

So baby let's get it on

Drinkin' wine and killin' time

Sitting in the summer sun

You know

I've wanted you so long

Why'd you have to drop that bomb on me

The lazy days

Crazy dolls

You said we've been friends for too long

Seven days in sunny June

But long enough to bloom

The flowers on the sunlight dress you wore in spring

The way we laughed as one

And then you dropped the bomb

But I know you too long for us to have a thing

Chorus 2X

Gotta get this

The stories in your eyes

Tell of silent wings

You fly away on

Seven days in sunny June

But long enough to bloom

The flowers on that sunbeamed dress you wore in
spring

Yeah yeah

The way we laughed as one

Why did you drop that bomb on me

Repeat Chorus
Could it be this
The honey suckled dancing you'd seem to show me
Could it be this
For seven days in June I wasn't lonely
Could it be this
You never gave me time to say I love you
Could it be this
I know you don't believe me but it's so true
Don't walk away from me girl
I read the stories in your eyes
Don't you walk away from me girl
I read the stories in your eyes
Don't you walk away from me girl
I read the stories in your eyes
Don't you walk away from me
I read the stories in your eyes
If you've been telling me we've been friends for too
long
Yeah
Why'd you wanna drop the bomb
Telling me we've been friends for too long
Why'd you go and drop the bomb
You tell me that we've been friends for too long
Yeah
