The pebbles you've arranged  
In the sand, they're strange  
They speak to me like constellations  
As we lie here  
There's a magic I can hold  
Your smile of honey gold  
And that you never seem to be in short supply of

*[Chorus:]*

Ooh, so baby let's get it on  
Drinking wine and killing time  
Sitting in the summer sun  
You know I've wanted you so long  
Why do you have to  
Drop that bomb on me?

Lazy days, crazy dolls  
You said we've been friends too long  
Seven days in sunny June  
Were long enough to bloom  
The flowers on the summer dress you wore in spring  
The way we laughed as one  
And then you dropped the bomb  
That I've known you too long  
For us to have a thing

*[Chorus x2]*

Could it be this?  
The stories in your eyes  
The silent wings  
You'll fly away on

Seven days in sunny June  
Were long enough to bloom  
The flowers on the sunbeam dress you wore in spring  
Yeah, yeah, the way we laughed as one

Why did you drop the bomb on me?

*[Chorus]*

Could it be this?  
The honeysuckle blessings you seem to show me  
Could it be this?  
For seven days in June I wasn't lonely  
Could it be this?  
You never gave me time to say I love you  
Could it be this?  
I know you don't believe me but it's so true

Don't walk away from me, girl  
I read the stories in your eyes  
Don't you walk away from me, girl  
I read the stories in your eyes  
Don't you walk away from me, girl  
I read the stories in your eyes  
Don't you walk away  
I read the stories in your eyes

And you've been telling me  
We've been friends for too long  
Why do you want to drop the bomb?  
Telling me  
We've been friends for too long  
Why do you want to drop the bomb?  
You tell me we've been friends for too long, yeah  
I think I love you  
I think I love you  
Why do you want to drop that bomb?
