Jamiroquai
"Seven Sunny Days In June"

Verse 1
The pebbles you've arranged
In the sand they're strange
they speak to me like to constellations as we lie here
There's a magic I can't hold
your smile of honey gold
and that you never seem to be in short supply of

(Chorus)
Ooh, so baby lets get it on
Drinking wine, and killing time and sittin in the summer
sun
You know, I wanted you so long
Why did you have to drop that bomb on me

Lazy days crazy dolls
You said we've been friends too long
Seven days in sunny June
Were long enough to bloom
The flowers on the summer dress you wore in spring
The way we laughed as one
And then you dropped the bomb
That I've know you too long for us to have a thing

(Chorus)x2
Ooh, so baby lets get it on
Drinking wine,and killing time and sittin in the summer
sun
You know, I wanted you so long
Why did you have to drop that bomb on me
Why did you have to drop the bomb

Could it be this
The story in your eyes
Tell of silent wings
You fly away on.

Seven days in sunny June
Were long enough to bloom
The flowers on the sunbeam dress you wore in spring

Yeah yeah, the way we laughed as one

Why did you drop that bomb on me

(chorus)
Ooh, so baby lets get it on
Drinking wine, and killing time and sittin in the summer
sun
You know, I wanted you so long
Why did you have to drop the bomb on me

Could it be this
The honeysuckle blessings you seem to show me
Could it be this
For seven days in june I wasn't lonely
Could it be this
You never gave me time to say I love you
Could it be this
I know you dont believe me but it's so true

Don't walk away from me girl
I read the stories in your eyes
Don't you walk away from me
I read the stories in your eyes
And you been telling we been friends for too long girl
I think I love you
I think I love you

(but you wanna drop the bomb)
ooh

uhhhhhhh
