When you know what you know, it's all you need (3X)
Snooze You Lose....
Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah....Snooze
You Lose (2X)

Take your rocket can-can...Snooze You Lose
What's your master-plan han....Snooze You Lose
I'm a veteran like a man (Uh-huh Uh-huh)...Snooze You
Lose
I got a weapon in my hand, should I use it, cause if I
don't
Snooze You Lose..alright oohhhh
Snooze You Lose (2X)
(small musical interlude, with a slow buildup)
Yeah, Yeah, Yeah, Yeah, Yeah, Yeah, Yeah... Snooze
You Lose (2X)

Ahhh my hand is trigger happy... Snooze You Lose
My heart is as cold as iced ice... Snooze You Lose
You got to play by my rules... Snooze You Lose
Just make sure you play'em right tight, keep it cool,
cause if I
don't it's
Snooze... You Lose, well that's the game you play
Ohhh....
Snooze... You Lose, well that's the game you play
Snooze You Lose...
La la la la... yeah... whoooo (5X)
