Touch me in the night time  
All I want from you is love  
And I know you can give  
Such sweet moments  
To last me so long  
Cos,, you make me feel so strong  
All I want to do is spend a  
Lifetime with you, baby  
Make it happen  
All I want to do is spend a  
Lifetime with you, baby  
Oh girl  
All I want to do is spend a  
Liftetime with you, baby  
Cos you make me that good  
And nothing else matters  
Until you're in my arms, girl  
And all those broken promises  
We made to each other  
We have so much more to give  
I know that we can do this  
That's how I want to live  
Eternally, together  
All I want to do is spend a  
Lifetime with you, baby  
All I want to do is spend a  
Lifetime with you, baby  
Will you make it happen  
For us now  
Please this time  
You know I need your  
Touch honey  
I want your touch honey  
Like the morning sun  
Has just begun  
Girl, like the rain on  
My window pane  
Girl, if I could make you stay  
More than one day  
Eternally together  
Oh girl I need your touch  
Oh, girl I want your loving

Sweet, you know that  
We can make it happen  
For you and for me to be  
And eternally together  
We will be
