Written by jay kay

Everything is good  
And brown  
I'm here again  
With a sunshine smile upon my face  
My friends are close at hand  
And all my inhibitions have disappeared without a  
trace  
I'm glad  
I found  
Somebody I can rely on

This is the return of the space cowboy  
Inter-planetary  
Good vibe zone  
At the speed of cheebah  
We'll go deeper  
Maybe I'm gonna have to get high just to get by

Everything is good  
And green  
Oh, I'm red again  
And I don't suppose I'm coming down  
I can see clearly now  
High in the sky  
A man with psychedelic picture frames  
Of happiness to shade  
His eyes  
He's glad  
That he found  
Somebody he can rely on  
High in the sky  
A man with psychedelic picture frames  
Of happiness to shade  
His eyes  
He's glad  
That he found somebody who  
He can rely on
