Get down, right on  
Get down  
I know all we're doing is  
Travelling without moving  
Hey hey  
I know all we're doing is  
Travelling without moving  
Can't stop, no  
I know all we're doing is  
Travelling without moving  
Yeah yeah  
I know all we're doing  
Is travelling  
Speed freak  
Faster than a speedin' bullet,  
Slow down, i I don't  
If I don't I might just lose it  
Lcoked up  
You've got me honey  
Locked up under heavy brakin'  
Yeah yeah  
You know I've got to hang on  
Drive too fast I might be last  
Oh yeah  
I know all we're doing is  
Travelling without moving  
Oh yeah  
I know all we're doing is  
Travelling without moving  
Wo yeah  
I know all we're doing is  
Travelling without moving  
Oh yeah  
I know all we're doing is  
Travelling without moving  
Wo yeah  
I know all we're doing is  
Travelling without moving  
Oh yeah  
I know all we're doing is  
Travelling without moving  
(repeat)
