I must believe  
I can do anything  
I can heal anyone  
I must believe

I am the wind, yeah  
I am the sea  
I am the wind  
I am the sea  
I am the sun  
I can be anyone

Oh, this world is mine  
(This world is mine)  
For all of time  
(For all of time)  
I can turn any stone  
Call any place my home  
I can do anything

I know I'm gonna get myself together  
(Yeah)  
Use the force  
I know I'm gonna work it out  
Use the force

I know I'm gonna get myself ahead  
(Yeah)  
Use the force  
Use the force

I can go eagle high  
Circling in the sky  
Learn to love my life, no no  
I don't need no strife

I must believe  
(I must believe, I must believe)  
I'm a rocket man  
(I must believe, I must believe)  
I'm a superstar  
(I must believe, I must believe)

I can be anyone

I can step beyond  
All of my boundaries  
(Boundaries)  
It won't be hard for me  
To feel what there must be

I know I'm gonna get myself together  
(Yeah)  
Use the force  
I know I'm gonna work it out  
(Yeah)  
Use the force

I know I'm gonna get myself ahead  
(Yeah)  
Use the force  
Use the force

I can do it too  
I can do anything, yeah  
Anything, anything
