Welcome to your life, there's no turning back
Even while we sleep, we will find you acting
On your best behavior, turn your back on mother nature
Everybody wants to rule the world

It's my own design, it's my own remorse
Help me to decide, help me make the most
Of freedom and of pleasure, nothing ever lasts forever
Everybody wants to rule the world

There's a room where the light won't find you
Holding hands while the walls come tumbling down
When they do I'll be right behind you, so glad we've
almost made it
So sad they had to fade it, everybody wants to rule the
world
