I Quit

Come here  
I gotta talk to you for a minute  
No it ain't gonna be good, I know  
Frankly, I'm not sure how to tell you this, but  
I think I gotta be blunt with it  
So, here goes...  
I quit

I'm tired of all your games,  
no more waiting in the midst of the stench  
of all your shit  
It's time I made a move and it'll only take a second  
Boy, I got this  
Baby, you make me wanna leave all my clothing and  
other things behind  
I'm searching for an escape  
Let me go without a fight 'cause I already done made  
up my mind  
I ain't up for the chase

Yes, I'm over you  
moving like them cheetahs do  
Let me thru honey  
don't you be a fool  
nothing you can say boy that will ever make me wanna  
stay

I say  
Oooh what's the matter baby  
Didn't you see this coming a mile away?  
I quit. I quit. I quit. I quit.  
Never wanted to treat me right  
and now I've opened up your eyes and you see the  
light.  
I quit. I quit. I quit. I quit.

What's the matter baby was that too blunt for ya?  
I ain't tryin to hurt your feelings  
I just wanna tell you what I ain't never gonna do again  
Look here...

No more picking up your dirty socks  
that time is over I ain't playing the maid  
And, no more cleaning out them nasty draws  
go get another chick to be your new slave  
I know you'll miss it when I kissed it and licked it  
You know I made it right  
I was your everything  
Won't be no cooking and no cleaning, no freaking  
to keep you up at night

I'm getting out of this game

'Cause I'm over you  
moving like them cheetahs do  
Let me thru honey  
don't you be a fool  
nothing you can do to make me stay baby  
I'm on my way  
I'm on my way baby

I say  
Oooh what's the matter baby  
Didn't you see this coming a mile away?  
I quit. I quit. I quit. I quit.  
Never wanted to treat me right  
and now I've opened up your eyes and you see the  
light.  
I quit. I quit. I quit. I quit.  
Yeah you gonna miss me baby  
No more cooking, no more cleaning, no freaking baby  
I quit. I quit. I quit. I quit.  
Oooh what's the matter baby  
Didn't you see this coming a mile away?  
I quit. I quit. I quit. I quit.

Boy I was a fool for you  
Couldn't nobody love you, no not the way I do  
Now I'm running for the door just trying to  
I'm trying to get away from you  
Nothing stopped you from loving me  
But you had to have your cake and pie and eat it too  
Now you'll never get another chance  
I'm done. I'm through.

I say  
Oooh what's the matter baby  
Didn't you see this coming a mile away?  
I quit. I quit. I quit. I quit.  
Never wanted to treat me right  
and now I've opened up your eyes and you see the

light.  
I quit. I quit. I quit. I quit.  
Yeah you gonna miss me baby  
No more cooking, no more cleaning, no freaking baby  
I quit. I quit. I quit. I quit.  
Oooh what's the matter baby  
Didn't you see this coming a mile away?  
I quit. I quit. I quit. I quit.
