"I Spy"

Visit "[I Spy](#)" on MotoLyrics.com

I spy for the F.B.I.
(I spy for the F.B.I.)
I spy baby for the F.B.I.
(I spy for the F.B.I.)

I got a X-ray camera hidden in your house
To see what I could see
That man you was kissin' last night
Definitely wasn't me woah!

And I spy for the F.B.I.
(I spy for the F.B.I.)
Let me tell you now
I spy baby for the F.B.I.
(I spy for the F.B.I.)

Just because you had your shades down low
You thought there wouldn't be no clues
I got his name I know his game
It's good to know you know who woah!

And I spy for the F.B.I.
(I spy for the F.B.I.)
I spy baby for the F.B.I.
(I spy for the F.B.I.)

I got the facts in the file
Baby I don't have to guess
Took that agents fingerprints
Right off of your new red dress woah!

And I spy for the F.B.I.
(I spy for the F.B.I.)
Let me tell you now
I spy baby for the F.B.I.
(I spy for the F.B.I.)

I know when you're out
I know when you're in
I know where you come from
I know where you've been

I know when you're up
I know when you're down
I know when you're in
Baby or out on the town

I spy for the F.B.I.
(I spy for the F.B.I.)
Let me tell you now
I spy baby for the F.B.I.
(I spy for the F.B.I.)
