L-L-Linda

When I go to sleep
I never count sheep
I count all the char-ar-arms
About L-L-Linda

And lately it seems
(Lately it seems)
In all of my dreams
(All of my dreams)
I walk with my ar-ar-arms
About, Linda

But what good does it do me
'Cause Linda doesn't know I exist
I can't help feelin' gloomy
Thinkin' 'bout the lovin' I've missed

We pass on the street
(Pass on the street)
My heart skips a beat
(Heart skips a beat)
I say to mysel-el-elf
Hello L-L-Linda

If only shed smile
(Only shed smile)
I'd stop for a while
(Stop for a while)
And then I would ge-e-et
To know, Linda

But miracles still happen
And when my lucky star begins to shine
With one lucky break
I'll make Linda mine

But miracles still happen
And when my lucky star begins to shine
With one lucky break
I'll make Linda mine
