Sister, sister solitude  
Likes her swimming in the nude  
Sometimes she is black and blue  
Never taken over you  
And your kisses

Sister, sister solitude  
Getting off of being nude  
Wish I could get used to you  
I would know just what to do  
Hits, no misses

Sweet like candy (Sweet like candy)  
Yeah, I can be (Yeah, I can be)  
Smiling sweetly (Smiling sweetly)  
Yours completely (Yours completely)  
Fake your beauty

Baby, baby bubblegum  
Tell me, are we having fun  
Never knew what I could do  
To get really close to you  
For no reason

Baby, baby bubblegum (Baby, baby bubblegum)  
Are we playing hit and run  
You'll be singing last year's song  
Honey acting way too young  
Out of season

Sweet like candy (Sweet like candy)  
Yeah, I can be (Yeah, I can be)  
Fool him slightly (Fool him slightly)  
Doors locked tightly (Doors locked tightly)  
Fake your beauty

Sweet like candy  
Yeah, I can be  
Fake your beauty  
Fool him slightly  
Doors locked tightly

Fake your beauty

Sweet like candy (Sweet like candy)

Yeah, I can be (Yeah, I can be)

Fool him slightly (Fool him slightly)

Doors locked tightly (Doors locked tightly)

Fake your beauty (Fake your beauty)

Fake your beauty (Fake your beauty)

Fake your beauty (Fake your beauty)
