Well, I'll give you love  
That's above and beyond the call of love  
And love's something that money can't buy

A poor boy's chances for pretty  
A girl's glances are sometimes very few  
I've got no money but if you'll be my honey  
Here's what I'll offer you

Well, I'll give you love  
That's above and beyond the call of love  
And I'll never ever make you cry

I'm gonna give you love  
That's above and beyond the call of love  
And love's something that money can't buy

Well, we met at a dance and I knew at a glance  
That I'd found my happiness  
So if you wanna carry me off  
And marry me then I'll answer 'Yes'

And I'll give you love  
That's above and beyond the call of love  
Yeah, true love's something that money can't buy
