Well, I'll give you love
That's above and beyond the call of love
And love's something that money can't buy

A poor boy's chances for pretty
A girl's glances are sometimes very few
I've got no money but if you'll be my honey
Here's what I'll offer you

Well, I'll give you love
That's above and beyond the call of love
And I'll never ever make you cry

I'm gonna give you love
That's above and beyond the call of love
And love's something that money can't buy

Well, we met at a dance and I knew at a glance
That I'd found my happiness
So if you wanna carry me off
And marry me then I'll answer 'Yes'

And I'll give you love
That's above and beyond the call of love
Yeah, true love's something that money can't buy
