I makes no difference if you're rich or poor  
Or if you're smart or dumb  
A woman's place in this old world  
Is under some man's thumb

And if you're born a woman, you're born to be hurt  
You're born to be stepped on, lied to, cheated on and  
treated like dirt  
Oh, if you're born a woman, you're born to be hurt.

A woman's lot is to give and heal, and go on givin'  
A woman's got to love and lose, and go on livin'

Yes, I was born a woman, I didn't have no say  
But when my man finally comes home, he makes me  
glad it happened that way  
Because to be his woman no price is too great to pay  
Ya, I was born a woman, I'm glad it happened that way.
