When you're weary feeling small when tears are in your eyes
I will dry them all

I'm on your side oh when times get rough and friends
just can't be found

Like a bridge over troubled water I will lay me down

Like a bridge over troubled water I will lay me down

When you're down and out when you're on the street

When evening falls so hard I will comfort you

I'll take your part oh when darkness comes and pain is
all around

Like a bridge over troubled water...

[steel]

Sail on silver love sail on by your time has come to
shine

All your dreams are on their way

See how they shine oh if you need a friend I'm sailing
right behind

Like a bridge over troubled water I will ease your mind

Like a bridge over troubled water I will ease your mind
