(Bill Anderson)

I've been walked on, looked through
Laughed at, lied to
I've been stripped of all my feelin's and what little pride
I've got
But I still believe in love believe it or not.

I've been pushed aside, unsatisfied
I've tried and I've cried
I've given and I've taken and I've hurt an awful lot
But I still believe in love believe it or not.

I still believe that somewhere there's a man
I can gently put my arms around
And kiss his lips and thrill him when I tell him
He's the greatest man I've ever found.

I still believe that I can
Offer some man something
He has never known before
But he's been searching for.

I've been walked on, looked through
Laughed at, yeah, lied to
I've given and I've taken and I've hurt an awful lot
But I still believe in love believe it or not.

I've been walked on, looked through
Laughed at, lied to
I've given and I've taken and I've hurt an awful lot
But I still believe in love believe it or not...
