Love is like an ever spinning wheel round and round
again round and round again
Though you'll finally find somebody new when love
comes round again for you

Down the years many tears have been cried about love
and devotion
Dry your tears love is just like the boat sailing over the
ocean
Wheel of fortune keeps on turning love goes round like
a carousel ride
Soon you'll find someone else by your side
Love is like an ever spinning wheel...
The wheel of fortune...

Love is like an ever spinning wheel...
