(Eddie Rabbitt)

Love me and make it all better  
Come back and ease the pain  
Kiss away these burning tears  
Say you love me again.

I was wrong accusing you  
Of unfaithfulness  
'Cause you walked away  
And took all my happiness.

Love me and make it all better  
Come back and ease the pain  
Kiss away these burning tears  
Say you love me again.

I'm a fool for thinking  
I could live without you  
Maybe my own weakness  
'Cause me to talk in you.

Love me and make it all better  
Come back and ease the pain  
Kiss away these burning tears  
Say you love me again...
