More and more I'm forgetting the past more and more
I'm living at last
Day by day I'm losin' my blues more and more I'm
forgetting bout you

I wish you knew how hard I'd tried to keep you by my
side

And I wish you knew how many tears I cried the day we
said goodbye

Day by day I'm losin' my blues more and more I'm
forgettin' bout you
[steel]
I tried everything in my power to keep you by my side

And the worst day of my life was the day that we said
goodbye

Day by day I'm losin' my blues more and more I'm
forgettin' bout you
