Shame on me for hurting you what can I say what can I do

Last night I was blind but today I see I did you wrong
shame on me

You say you won't be seein' me again you say we're through

I wouldn't want to see the sunrise tomorrow if I knew that to be true

I know that just sayin' I'm sorry doesn't sound quite a lot

But the man you saw me with last night means no more to me

Than the thousand stars to the great clouds that cover the night

The more I look at him the more I realize how very much I love you

Shame on me for hurting you...

I'll admit I shouldn't have given into love's wild temptation

With someone I cared nothing for I was blind and I hurt you

But can you ever forgive the fool the fool who really loves you

Last night I was blind but today I see I did you wrong
shame on me
