[ Jan ]

When my way grow with dear precious Lord linger near  
when my life is almost gone  
Hear my cry hear my call hold my hand last I fall  
Take my hand precious Lord lead me home  
Precious Lord take my hand lead me on let me stand I  
am tired I am weak I am worn  
Through the storm through the night lead me on to the  
light  
Take my hand precious Lord lead me home

When the shadows appear and the night draw with near  
and the day is past and gone  
At the river I stand guide my feet hold my hand

Take my hand precious Lord lead me home  
Precious Lord take my hand...
