Some people walk some people crawl some people
don't even move at all
Some roads lead forward some roads lead back
Some roads are bathed in white some wrapped in
fearful black
Time oh time where did you go time oh good good
time where did you go

Some people never get some never give some people
never die and some never
live
Some folks treat me mean some treat me kind
Most folks just go their way don't pay me any mind
Time oh time where did you go time oh good good
time where did you go

Sometimes I'm satisfied sometimes I'm not
Sometimes my face is cold sometimes it's hot
Sunset I laugh sunrise I cry midnight I'm in between
and wondering why
Time oh time where did you go time oh good good
time where did you go
