Well mama go a tippy tippy toein' through the house
Gotta see what's the matter with the baby
It's been a bawlin' and a squallin' and a kickin' on the
wall
Well I guess it's dropped its little bottle maybe
Oh daddy come a runnin' with the water right away
Gonna need another little diaper maybe
No need a hesitatin' or a wond'rin' and a waitin' I know
what's the matter with baby
Oh mama rock a baby daddy rock a baby too it's a
yawnin' and a gettin' sleepy maybe
So mama keep a rockin' daddy rock a little too and at
last it's a sleepin' little baby
[guitar]
Well mama tippy toein' daddy tippy toein' too gonna try
to do a little sleepin' maybe
Whether it'll be a minute or an hour or two is depending
entirely on the baby
Well I hear the clock a ringin' just a dongin' and a
dingin'

Daddy go and make a little money maybe
I sleep a little longer don't you worry while you're gone
I'll take good care of the baby
Oh mama rock a baby...
After all it's just a little baby hmm hmm it's a sleepin'
little baby
