Let your spirit fly, we can touch the sky
I will surrender to your love

(Jan Johansen)

Walking down a crowded avenue
And there are strangers everywhere
But not a face of all the people that I see
Can thrill me like the way you do

(Pernilla Wahlgren)

You seem so close but yet so far from here
I wanna be right where you are
And I would walk the moon and back if you were mine
I'll never let you go

Chorus:

Let your spirit fly, over the mountains high
Spread your wings like an angel in heaven above
Let your spirit fly, we can touch the sky
I will surrender to your love

(Jan Johansen)

Smoother than a summer evening breeze (evening
breeze)
You wash away my cares with ease
Suddenly the world seems such a perfect place
Where dreams may come alive

Chorus:

Let your spirit fly, over the mountains high
Spread your wings like an angel in heaven above
Let your spirit fly, we can touch the sky
I will surrender to your love

(Jan Johansen)

And I have had my share of heartache and pain
(heartache and pain)
Don't wanna face it all again

Pernilla Wahlgren

No, but I can promise you I'll stay for good
Cause love will lead the way

(Jan Johansen) Love will lead the wayÂ...Â...Â...
(Pernilla Wahlgren) Let your spirit fly, yeah

(Chorus)

Let your spirit fly, over the mountains high
Spread your wings like an angel in heaven above
Let your spirit fly, we can touch the sky
I will surrender to your love

I will surrender to your love
