CallingÂ...

CallingÂ...

CanÂ't you hear me callÂ...???

I imagine you hereÂ...

CloseÂ...

Sharing my bedÂ...

My loveÂ...

With you a million kisses,Â...

Would never be enoughÂ...

IÂ'd need moreÂ...

So muchÂ...

MoreÂ...

I know youÂ're the oneÂ...

I want in my lifeÂ...

I know youÂ're the oneÂ...

Calling your nameÂ...

CanÂ't you hear me call????

Calling your nameÂ....

Calling your nameÂ...

CanÂ't you hear me call????

Calling your name

Calling yourÂ.....name

CanÂ't you hear me call???

CallingÂ...

CallingÂ...

Calling your nameÂ...

CanÂ't you hear me call????

Calling your nameÂ...

Calling your nameÂ...

Calling your nameÂ...

CanÂ't you hear me call????

Calling your nameÂ...

Calling your Â.....name

The thought of you leaves meÂ...

WeakÂ...

Messing my headÂ...

My heartÂ...
IÂ'm driven by desireÂ...
I could never turn backÂ...
IÂ'd want moreÂ...
So muchÂ...
MoreÂ...
I know youÂ're the oneÂ...
I want in my lifeÂ...

Calling your nameÂ...
CanÂ't you hear me call????
Calling your nameÂ...
Calling your maneÂ...
Calling your nameÂ...
CanÂ't you hear me call????
Calling your nameÂ...
CanÂ't you hear me call????

Calling your nameÂ...
Calling your nameÂ...
Your nameÂ...
Calling your nameÂ...
CanÂ't you hear me call????
CanÂ't you hear me call????
