Do do...  
Do dooo...

I learned I didn't need you to climb me no mountain  
I learned I didn't need you there  
And I learned my tears are dry without you,  
Cuz I learned you didn't care.

So I locked myself away and not cry ...yeah  
For all the years I was denied  
It wasn't love I stood beside  
Now I recognize the lies

Cuz my life goes...on and on  
Without you here  
Yeah, I remember you blew me out  
Was right here, and I remember  
You scream and shouted at me

So I love walking out alone now  
I watch the trees turn orange green ?  
I smiled to myself...I love to be alone  
Since I learned you didn't care

Still my life goes...on and on and on  
Without you here  
Yeah, I remember you blew me out  
Was right here, and I remember  
We scream and shouted  
Yeah we scream and shouted (2x)

Yeah I live and learn about it  
Now I'm grown, yeah I laugh out loud about it  
Tears I've blown

Yeah, I learned I didn't need you to climb me no  
mountain  
I learned I didn't need you home  
And I learned my tears are dry without you,  
Cuz I love to be alone

Yeah, I remember you blew me out

Was right here, and I remember  
We scream and shouted  
Yeah we scream and shouted (2x)

Yeah I live and learn about it  
Now I'm grown, yeah I laugh out loud about it  
Tears I've blown

Yeah I learn I didn't want you  
And I learn I didn't need you ...no  
Do doo...do do doo
