A huge force shake my world
An energy I can't ignore
Confusion holds my head
And still you hold me
Still you hold me

No words, no sound, no sleep
I do eye contact, blinds me
Everything I need's within you
Your my heaven and my hell
Everything I need's within you
So why the raging, why the raging STORM...

Could there be a perfect love
Love love love love love

Dont question the moment
Of extacy as love unfolds
Re-release the dream
That code de-code me
That code de-code me

No words, no sound, no sleep
I do eye contact, blinds me
Everything I need's within you
Your my heaven and my hell
Everything I need's within you
So why the raging, why the raging STORM...

Could there be a perfect love
Love love love love love
Love love love love love
Everything I need's within you
You're my heaven
You're my hell

So why the raging
Why the raging

STORM...

Could there be a perfect love

STORM...

Love love love love love

Love
