I remember

I know how you feel
Iâ€™m feelin' it too
I hold my heart, I dream of you
I see your face, I feel it too
Searchin' skies
I need you, I love you, I miss you
I need you, I want you, I love you
I love for you, I love you

Remember me near
There may be times when itâ€™s not right for me to be
there
But remember me near
Remember me near
There may be times when itâ€™s not right for me to be
there
But remember me near
Remember...

Take this and hold
My love for you
I love you you
I love for you, I love you

Remember me near
There may be times when itâ€™s not right for me to be
there
But remember me near
Remember me near
There may be times when itâ€™s not right for me to be
there
But remember me near
Remember...
