I can answer the questions im asking myself
Although im reaching deeper

I taste the words, they want to scream
I feel detached

flying high..
im i really here ?
im i really here ?

should i let go ore hold thight ?
Prisons of love..
should i let go ore hold thight ?
Im safe now..

Is destiny calling ?
I sense you, I know you, i love you..
Is destiny calling ?

I look into your eyes, and now i belive you
you are my sunrise, i trust you..
Its you i idealize and now i need you
You kiss my heart goodbye, and now i love you
love you...

I was falling asleep within your silky breath
my breathing brings you nearer..

I hear your voice, the silent words
love "skotching" love

lets go sides, im a really here ?
im a really here ?

should i let go ore hold thight ?
Prisons of love..
should i let go ore hold thight ?
Im safe now..

Is destiny calling ?
I sense you, I know you, i love you..
Is destiny calling ?

I look into your eyes, and now i belive you
you are my sunrise, i trust you..
Its you that "havilasied" and now i need you
You kiss my lips goodbye, and now i love you
love you...

im safe now..
im safe now..
im safe now..
