"Total Eclipse Of The Heart"

Turn Around
Every now and than I get a little bit lonely and you
never come around

Turn Around
Every now and than I get a little bit tired of listening to
the sound of my tears

Turn Around
Every now and than I get a little bit nervous that the
best of all the years have gone by

Turn Around
Every now and than I get a little bit terrifide and then i
see the look in your eyes

Turn Around Bright Eyes
Every now and then I fall apart

Turn Around Bright Eyes
Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you only hold me tight
Then we're holding on forever
And we'd only be making it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
(All of the time)

I don't know what to do im always in the dark
We're living in a powder keg and giving of sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time i was fallin in love
But now im only fallin apart
Theres nothing I can do

A total eclipse of the heart

instrumental

And I need you now tonight
And I need you more than ever
and if you only hold me tight
Then your holdin' on forever
And we'd only be making it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
(All of the time)

I don't know what to do
I'm always in the dark
We're living in a powder keg and giving of sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was fallin in love
But now im only fallin' apart
There's nothing I can do
A total eclipse of the heart
