el mediteraneo by Jan Smit
El Mediteraneo

I like to be on Majorca
Pretty island in the sun
With the lovely muchachas
It's the place for love and fun

Surfing the waves of El Mediteraneo
it's so exciting to fly over the sea

A bungee jump near El Mediteraneo
And while i'm flying, the girlies wave at me

Bailar bailar, amor amor
Oh chica chica, who i adore
Chica bonita, baila conmigo por favor

We get off to the disco
Where i dance with a brown eyed girl
I tell the sweet senorita
She's the prettiest in the world

Come to the beach of El Mediteraneo
It's so exciting with you down by the sea
