Rio de Janeiro by Jan Smit
It's a beautiful sight to see
It's the place where i wanna be, i wanna be
A crazy parade on a carnival day
Way down in Rio de Janeiro
They dance and they shout, the music is loud
The girls only wear a sombrero
It's a beautiful sight to see
It's the place where i wanna be, i wanna be

Hey Rio de Janeiro
Hello Rio's carnival
Your beautiful dressed up muchachas
Do the samba, samba tropical
Hey Rio de Janeiro
Hello Rio's carnival
Your beautiful dressed up muchachas
Do the samba, samba tropical, carnival

There's street-dancing fun, in a blistering sun
And at night the spirits rise higher
There's lovin' and dance, yes they all take a chance
In their eyes is a burning desire
It's a beautiful sight to see
It's a place where i wanna be, i wanna be
