(J.J. Cale)

Somebody call for the doctor, I think I'm sick
Ain't had my medicine in over a week
My mind's fine but my body feels weak
Call the doctor, I think I'm sick
A shady lady took all my bread
Ravished my body, Lord, and messed with my head
I don't know but I've had my fill
Call the doctor and tell him I'm ill
My money's gone and I've got no place to go
I don't believe I've ever felt so low
If you've got the time while you hang around
Call the doctor and tell him I'm down
Call the doctor and tell him I'm down
Call the doctor and tell him I'm down
